

Business Web Page Design Project 1

NAME _____ PERIOD _____ SCORE _____

Directions

Place a check mark in the box next to each assignment that you completed. Your teacher will award points on the blank line. You should either have a printout for each activity or a written note (maybe cause you couldn't print or whatever) indicating that you did complete that activity. Staple all printouts in the order that they appear on this cover sheet, and turn into the box on Coach's desk not later than at the end of the period on the final day of the test.
