Annual Blood Drive

Yes, it is that time of year again...the annual blood drive! Last year, we more than doubled our previous years' number of pints. Let's try to do it again this year. We will have a luncheon for everyone involved with the blood drive on Tuesday. See you all there!

About Donating

In order to be eligible to donate blood, you must be healthy and at least 17 years old. A person can donate every eight weeks. Becoming a volunteer donor is an important step in assuring a safe community blood supply--it begins before you give blood!

When

You can donate on Tuesday, December 10 at the Wilson Hospital Blood Bank from 9:00 a.m. to 4:00 p.m.

Contacts

For information regarding this Web site, donor eligibility, or sponsoring a blood drive, please e-mail:
